

Has partnered with

CommunityAid
NEIGHBORS HELPING NEIGHBORS

And we need your support!!

By hosting a clothing collection bin on your property,
your business can help **2** non-profits succeed in their missions!

Community Aid

specializes in assisting community non-profits by providing grants in exchange for clothing donations obtained at hosting sites. Community Aid sells the clothing to keep it out of landfills, offer budget stretching bargains to local families and provide free clothing to families in need through their partner organizations.

The PA Tourette Syndrome Alliance

is a state-wide non-profit offering information, education, and disability advocacy for individuals with Tourette Syndrome. They provide support to families, schools, and communities to promote awareness and acceptance of individuals with this highly misunderstood neurological disorder.

To get involved, please contact:

Volunteer with PA Tourette Syndrome Alliance.
