# Student Projects Support Tourette Syndrome!

## Our Mission:

To **identify, support** the needs of and **advocate** for individuals with Tourette Syndrome in Pennsylvania;

To **promote awareness** of Tourette Syndrome through informational outreach and educational presentations.

## Services and Supports to meet our mission:

PA-TSA's programs of information, education and disability advocacy promote understanding of Tourette Syndrome in order to achieve acceptance and to help children and adults diagnosed with this neurological condition be successful.
